The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

DR. HARVEY W. WILEY

To Vote For Hughes—He Says Wilson Has Failed to Enforce Pure Food Law.

"I favor the election of Mr. Hughes to the Presidency for entirely different reasons than those held by most of his supporters. It is not because of the Mexican policy nor the foreign policy of the Administration nor by reason of its domestic policies. It is because of the apparent indifference of the Administration of President Wilson to the cause of pure food and drugs. Practically all of the abuses which were injected into the Pure Food Law by the preceding Administrations are still in force. Benzene of soda is still rampant. The fumes of burning sulphur are marching along undisturbed. There is evidently a lull in the activities of the Administration of the law. A well-known beverage, declared by the Supreme Court misbranded and amenable to the Food Law has not been molested. No attempt has been made to enforce the law in regard to the bleaching of flour. The repeal of the mixed flour law, that splendid safeguard to the purity of our bread, has been tacitly approved by the Treasury Department.

"Mr. Hughes in his activities on the Supreme Court has stood like a stone wall for the proper Administration of the Food Law. I believe his election would see a radical change in the attitude of the government towards pure food and pure drugs, so vital to the welfare of our people. For this reason, I sincerely hope that Mr. Hughes may be chosen as our next President.

"I should expect Mr. Hughes as President to have the same attitude toward the pure food and drug law that he had as a judge on the bench and to appoint a secretary of agriculture with subordinate officers who would be enthusiastic and earnest in the enforcement of the pure food law for the benefit of the physical, mental and moral welfare of our people."

THIRD ANNUAL RURAL CHURCH INSTITUTE

The Third Annual Rural Church Institute of the Kentucky Christian Bible School Association will be held at the Fox Creek Church, Anderson county, near Lawrenceburg, October 23, 27, 1916. Much attention has been given recently to the study of rural life problems, and institutes of this sort are full of interest to a great many. Former institutes were held at Providence in Jessamine county and North Middletown in Bourbon county. The last named had over 600 in attendance, half of whom were out-of-town delegates.

A strong program has been prepared for the Fox Creek Institute. Mr. Oscar E. Kelley, of Terre Haute, Indiana, a successful Rural Church specialist and prominent lecturer, will be present to give ten lectures and to lead in the discussions on the rural church. Other speakers will be W. J. Clarke of Cincinnati, Adult Superintendent of the American Christian Missionary Society; H. W. Carpenter, Chancellor of Transylvania University, Lexington; A. McLean of Cincinnati, O., president of the Foreign Christian Missionary Society; H. W. Elliott of Sulphur who will present the Kentucky Rural Church; Prof. C. D. Bohannon of the State University, Lexington; and other leaders prominent in rural work.

The Fox Creek people assisted by others in Anderson county will give free entertainment in their homes for the full five days to one hundred delegates. They are enthusiastically preparing for this great occasion and have given assurance that a warm welcome awaits all who will come. All those coming to Lawrenceburg by rail will be met at the station and taken directly to Fox Creek by a committee that will provide free transportation. Already reservations for entertainment have been made by a number for the full five days, and the prospect for a large attendance is very good.

TINIEST ENGRAVING

(Grand Rapids Cod. New York Sun) Godfrey E. Lundberg, of Spokane, Wash., has engraved the Lord's Prayer, containing 65 words, a total of 254 letters, as well as 17 punctuation marks, on the head of a gold pin forty-seven thousandths of an inch in diameter. He also has inscribed the letters "U. S." on the point of a fine cambric needle.

Maurice Lundberg, brother of the engraver, brought the two engraved articles here. They have been exhibited before the Mayor, city and county officials. When placed under a 100 diameter microscope the letters stand out boldly and can be read more easily than newspaper type.

The two articles will be placed in a New York museum for exhibition. Lundberg explained that three years were required to complete the Lord's Prayer.

A MAYSVILLE INQUIRY

Answered By the State of a Maysville Resident.

When first the long series of reports of Maysville people who have been relieved by Doan's Kidney Pills were published in the local press, great enthusiasm and interest were aroused. But Maysville is now inquiring "How are these people keeping today? How has the benefit they received withstood the test of time?" For that, after all, is the essential test of a cure. On this point doubt can no longer exist, for after many years those who have been cured, emphatically declare their cures to be lasting.

Frederick Dresel, 1238 E. Second St., Maysville, says: "I was troubled with inflammation of the bladder and an annoyance from my kidneys. The passages of the kidney secretions were irregular and I had a severe pain across the small of my back, which interfered with my duties. I got Doan's Kidney Pills at Wood & Son's Drug Store and one box gave me prompt relief."

NO TROUBLE SINCE OVER THREE YEARS LATER, Mr. Dresel said: "I haven't had any kidney trouble since I used Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dresel has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
